## Single Stream Collection Weeks In Blue

### Recycle Collection Schedule

Starting the week of June 6, 2011 you will be able to recycle the above items co-mingled in one 96 gallon Blue cart. If it fits in the bin then it can be recycled. Service for single stream will be every other week, garbage collection will be every week. The weeks highlighted in blue are the weeks that you will need to place both your garbage and recycling carts to the curbside on your regular service day. Remember to place carts at least three feet away from each other
